Product purpose and description

The Products are intended to provide comprehensive caravan insurance cover for an Australian individual or domiciled business that owns an insured caravan for private, personal, domestic or household use. Both Section 1 and Section 2 covers must be selected.

A caravan is a caravan, travel trailer, camper, tourer or camper trailer that is towed behind a motor vehicle and includes certain contents and fixtures and fittings (such as those fitted by the

original manufacturer), gas cylinders and any accessories or optional extras such as an annexe or awning that are included in the sum insured and specified on the Policy Schedule (a **Caravan**).

The Products are designed for customers seeking a range of insurance covers to mitigate financial loss including:

- Loss or damage to a Caravan, its contents and annexe caused by an accident, fire, theft and/or malicious acts; and

- In relation to legal liability for accidental death or injury to other people or loss or damage to property of others.

The Products also provide a number of additional, and optional benefits.

A Caravan owner can select their sum insured and insure their Caravan for an agreed value (subject to our agreement and standard underwriting criteria).

Further criteria

Customers are expected to be able to bear the premium, including through premium funding, and bear the excess, or an equivalent reduction in claim payments, in the event of a claim.

Customers may need to bear the cost of upfront payments for claims before being reimbursed, in the limited

circumstances, where we don't cover losses upfront.

The product includes a range of common covers and provides the ability to select the cover type and options which allows customers to obtain cover most relevant to their needs and objectives. The ability to select options

allows the cost and protection of the product to accommodate the financial situation of the customer.

Customers are intended to arrange cover through licensed insurance brokers in the case of Australian Caravan Insurance or otherwise through NM and its distributors.
